- Sprinkler Fitting

Putting American Veterans into Piping Apprenticeships

The Veterans in Piping (VIP) Program can provide a positive re-entry into civilian life with the opportunity of a long-term lucrative career opportunity within the Piping Trades. The UA and Wisconsin Pipe Trades have been training qualified pipe tradesman longer than anyone else in the piping industry. The UA boasts the most comprehensive training programs available in the industry today, including five-year apprenticeship programs, extensive journeyman training, organized instructor training, and certification programs.

What a Veteran brings to the VIP Program

- Integrity
- Great Teamwork Skills
- Diversity
- Respect
- Great Under Pressure
- Excellent Learning Curve

All Qualities That Employers Desire!!!

Pipe Welding

HVAC Service

Cost to Veterans

There are no costs to Veterans for the VIP training program. All funding for the VIP Program is provided by the UA's International Training Fund, The Wisconsin Pipe Trades, The State of Wisconsin, and many statewide sponsors.
